Your application

Dear Francis Nepomuceno,

Thank you for your interest in applying at Manitoba Hydro for the position SYSTEM DEVELOPER II (56129003)

In addition to the positions advertised under Current opportunities, we would also strongly encourage you to complete your registration in our candidate pool in order to be considered for other employment opportunities. As vacancies arise, we search our database to find suitable candidates, so it is in your interest to make sure that all your information is completed carefully and as accurately as possible.

To register, use the following User ID: 75B34267F3 and request Password via e-mail using the corresponding link in the log on window. You will then receive your password by e-mail. Once you begin the registration process and start adding your personal information, please use the same email address you already provided in your initial application: contact@francisn.com.

We also invite you to visit our web site frequently and apply on-line to jobs that may interest you.

This is an automatic system-generated email; please do not respond to the sender. Should you be experiencing technical difficulties, or if you have not logged in since April 2009, please <mailto:employment@hydro.mb.ca> or phone during business hours:
